

Applying for Financial Aid at Royal Palm Academy 2021-22 School Year

Royal Palm Academy offers financial assistance to families with demonstrated financial need, as determined by RPA using the FACTS Grant & Aid assessment process. Funds are limited and families are encouraged to complete the process as early as possible.

RPA accepts Florida Tax Credit (FTC) Scholarships. To qualify for RPA-funded financial aid, families are required to apply separately for these awards. See below for instructions.

To apply for **RPA-Funded Financial Aid**:

1. New families begin your application by Click Here: <https://online.factsmgt.com/grant-aid/inst/4GYRJ/landing-page> Existing families begin by logging into your FACTS Family Portal, then select Financial from the menu, then click on Apply for Grant & Aid.
2. Include all financially responsible parties on the application. If a responsible party is in a separate household, a separate application is required through FACTS.
3. Complete all FACTS requirements as soon as possible.
4. A review meeting with the RPA Financial Aid Committee will be arranged when FACTS has completed their review. We will contact you to schedule a convenient time, either virtually or in person.
5. After your conference, families are notified of awards for review and acceptance.
6. If a decision is made not to enroll based on financial aid granted, registration fees will be refunded.

To apply for a **Florida Tax Credit Scholarship**:

1. Apply directly to each agency individually -- **Step Up for Students and AAA Scholarship Foundation** (only one award will be accepted, whichever is higher).
2. FTC scholarships are based upon income and family size. The two agencies' links are:
